Event Details

The Central West Gippsland Division of General Practice invites GPs, Registrars, Practices Nurses, Aged Care, Allied Health professionals and other interested Clinicians to a workshop presented by

***Maggie Goss, Respecting Patient Choices Facilitator,
Gippsland Lakes Community Health Palliative Care Service***

Learning Objectives

- What is an Advance Care Plan?
- Who can have one?
- Why do we need one?
- How to initiate conversations regarding views about future medical care
- Ensuring plans are clear, state what is really wanted and are easily accessible
- Advance Care Planning in the Aged Care Setting
- How does Advance Care Planning work at a GP Practice?
- Explore appointing a Medical Enduring Power of Attorney (MEPOA)
- Documenting patient wishes in a Statement of Choices

Would you know how to identify Elder Abuse?

Linda Rowley, Principal Consultant of Image Life by Design will be conducting a short presentation on the Elder Abuse Prevention Strategy, funded by the Department of Health.

The strategy aims to enhance the capacity of local agencies to respond appropriately to suspected cases of elder abuse through the development of local policies and protocols.
