

Achieving Infection Control Requirements

Date **Tuesday 17 April , 2012**
Time **2.00pm – 4.30pm (including afternoon tea)**
Cost **\$25 per participant**

Location **CWG Training Room, 16 Kirk Street, Moe**

The Central West Gippsland Division of General Practice invites Practice Managers to attend a workshop on
Achieving Infection Control Requirements
 Presented by Marg Jennings, Infection Control Education/Consultant.

In this session, Practice Managers will be encouraged to consider their role with respect to access and sources of information and devolving further responsibility to the relevant staff in particular areas including -

- Design and workflow requirements for instrument processing
- Ensuring the relevant references are easily accessible to everyone in the practice
- Staff education
- Getting the best from cleaners
- Sharps injury management
- Clinical waste definition
- Staff immunisation
- Issues to consider with pandemic flu
- Requirements for isolation, cleaning, linen changing and hand hygiene when treating MRSA, VRE or C-MRSA patients
- Reception area including Waiting Room and Toys
- Issues in Treatment or Consulting Rooms, including Linen
